Cert. of Occupancy			

The residential building permit applicant (and intended dweller) acknowledges that the predominate use of adjacent or nearby real estate may be agriculturally used. Further, the applicant owner(s) of this property propose a residence upon this real estate with acknowledgment that farming operations and other agricultural uses may impair or conflict with residential use of this real estate. The applicant agrees to adhere to the Decatur County Ordinance requiring that the entire residence be located a minimum distance of 660 feet from the nearby animal confinement feeding operations. (1320 feet from open lagoon)
